

WA BUICKS INAUGURAL BREAKFAST MEET

Monday 2nd November saw a gathering of cars and owners at Fast Eddys at Morley for the inaugural breakfast meet. It had been decided that it would be a good thing to have a regular nonorganised meet to have breakfast, a chat and get the Buick out.

The first Monday of the month was chosen and there was a surprisingly good turn up to the meet. Cars and owners comprised the following:

| | |
|-----------------------------|------------------------------------|
| Fred Manwaring (new member) | 1930 57 Sedan (ex Jeff Branch car) |
| Stuart Syme | 1950 Super 56S Jetback |
| Ian & Margaret Baxter | 1947 8/40 Sedan |
| Keith Crane | 1972 Riviera Boattail |
| Alan Haime & Tony Howe | 1972 GSX |
| Harold Hitchcock | 1937 Oldsmobile |
| Phil Taylor | Modern |
| Neville Cullinane (visitor) | 1941 Chevrolet Convertible |

Eight o'clock was starting time and a leisurely breakfast lasting to around 10am or so was enjoyed, washed down by copious coffees. The management at Fast Eddys were very pleased to have the cars there and suggested they be brought into their garage area which is festooned with signs, old bowsers and other memorabilia.

Those who attended are retired, semi-retired or working folk who altered their working hours to be there. This seems to cover most member categories so hopefully more will attend future meets. This was a relaxing, no fuss, no frills outing and obviously there is a need for such outings in car clubs.

Because of the interest in the cars from patrons and passers-by, Fast Eddys have promised a special room and free coffee if we make this a regular event. A reminder that the breakfast meets will in future be held from 8am on the first Monday of every month – we look forward to seeing you there!.
